Chalmers Six-40 \$1350 Seven Passenger

20% More Power

The Chalmers valve-in-head motor with overhead camshaft is as far in advance of the old types of motors as the self-starter is ahead of the starting crank.

It is generally recognized in the trade and among owners as the 20% more power motor.

THE Chalmers Six-40 is the new motor car at a lower price, equipped with this wonderful new type of motor which has made it necessary for the Chalmers Company to so tremendously increase its production for 1916.

The Season's Motor Sensation

On the hills and country roads where going is hard, this \$1350 car will do all for you that it did for A. E. Walden when he established a record at the recent Uniontown Hill Climb, driving a Chalmers Six-40, that was eight seconds better than the previous record for the class.

Within the limits of touring car service its wonderful valve-in-head overhead camshaft motor will give you all the efficiency and "trigger-quick" getaway that this type gave De Palma and Resta when they averaged 90, 98 and 102 miles an hour for 300 and 500 miles at Indianapolis and Chicago.

Comfortable as a Rocking Chair

The new Chalmers Six-40 is as comfortable as a big library rocking-chair.

The leather upholstered seats are deep and luxurious; the sides of the tonneau are built on the "armchair" principle. You ride in the car—not on it.

The leg-room is ample; the rear springs are 57 inches long—longer than any other car in this class—and the result is that the car glides over rough spots with an easy motion that makes motoring a pleasure under every condition.

Made in Chalmers Shops

Chalmers cars are made in Chalmers shops under the most exacting standards. They are quality cars throughout in style, beauty, comfort and performance.

See us to-day. We will give you a ride over the hills and country roads in this \$1350 car that will prove its 20% greater power.

New Service to Owners

Every Chalmers dealer gives to every buyer of a Chalmers car a Service Coupon Book, each coupon being redeemable for a definite amount of inspection service at any Chalmers dealer's anywhere.

Chalmers Club and Chalmers

Every Chalmers owner is entitled to a membership card in the Chalmers Club commencing him to the courtesy of Chalmers' representatives everywhere, and to receive "The Chalmers Clubman" regularly without charge.

WOMEN MAY BE STRONG

and enjoy life whether in the home or business world if they can keep at bay those ailments peculiar to their sex. If every woman realized how Lydia E. Pinkham's Vegetable Compound, that simple remedy made from roots and herbs, goes to the root of the trouble and overcomes such symptoms as backache, headache, nervousness and irritability, they would be healthier, happier and stronger. If you suffer from any form of female ill why don't you try it? It will pay you to do so.—Advertisement.

TREAT CATARRH BY NATURE'S METHOD

Every Breath of Hyomel Carries Healing Medicated Air to the Infected Membrane.

Nearly every one who has catarrh knows how foolish it is to try and cure it with sprays, lotions, and the like. Temporary relief may be given, but a cure seldom comes.

Until recently your physician would probably have said the only way to help catarrh would be to have a change of climate; but now with a simple preparation called Hyomel you can carry a health-giving climate in your vest pocket and by breathing it a few minutes four times a day successfully treat yourself.

The complete Hyomel outfit is inexpensive and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomel. The inhaler lasts a life time, and if one bottle does not give permanent relief, an extra bottle of Hyomel can be obtained at any time for a trifling sum. It is more economical than all remedies advertised for the cure of catarrh, and is the only treatment known to us that follows nature in her method of treating diseases of the respiratory organs.

Wells and Heymaker Co. sold a great many Hyomel outfits and the more they sell, the more convinced they are that they are perfectly safe in guaranteeing to refund the money if Hyomel does not relieve.—Advertisement.

BISHOP DONAHUE

Purchases a Site in the City of Huntington for a Catholic Hospital.

HUNTINGTON, Oct. 5.—After several days of consideration and negotiation, Bishop Patrick J. Donahue, of the Catholic diocese of Wheeling, has concluded a deal for the purchase from C. W. Cammack and others of a tract 420 by 200 feet on Thirteenth avenue between Eleventh and Twelfth streets on which he will erect, according to previous announcement, a hospital, which will be conducted by a sisterhood. Moreover, he intimated that the time might come soon when this site would be used for the erection of a great cathedral.

The purchase was made for cash and is said to have involved a consideration ranging between twenty and twenty-five thousand dollars.

On leaving Huntington Bishop Donahue returned to Bluefield, where he will spend a few days before going to Wheeling, his home, which he has not visited for two months.

In the schools of Australia boxing has been introduced as regular exercise for schoolboys.
